JUN 21 2022

Snohomish County District Court  
South Division**Small Claim # S22-0100 Exhibit # 14 page 1 of 6**

The USPS repeated its action of delivering a priority mail envelope without returning the return receipt back to me in the new incident described below:

I purchased a certified priority mail with return receipt for a flat rate priority mail envelope that included court documents on the 29<sup>th</sup> of April 2022 at the Lynnwood post office (6817 208th ST SW, Lynnwood WA, 98036). The tracking number for the priority mail envelope is 70210950000137223011(exhibit #14 page 2). Also, per exhibit #14, page 2, you will see the tracking number for the associated return receipt, which is 9590940273582028441019.

Then comes the serious problem, the return receipt that should have been affixed to the priority envelope and should have accompanied it to its destination has a very different tracking from the envelope itself when you compare exhibit 14 pages #3 &4. The return receipt never made it to my mailbox to this date. On May 22nd, 2022, I filed a missing mail tracing request (#14473673) with the USPS as shown in exhibit #14 page 5.

The search that the USPS office initiated pursuant to my search request (#14473673) has failed to provide me with a signed by recipient return receipt to the date of this filing. I filed a complaint with the USPS OIG office on the 4<sup>th</sup> of June 2022, which they forwarded to the local consumer and industry office on the 6<sup>th</sup> of June (exhibit #14 page 6); to this date, the local consumer and industry office has not resolved this problem.

I declare under penalty of perjury under the laws of the state of Washington that the foregoing is true and correct.

Small Claim # \_\_\_\_\_

**STATEMENT OF CLAIM**

I, Faten Anwar \_\_\_\_\_, the undersigned plaintiff, declare that the defendant named above owes me the sum of \$ 1000 \_\_\_\_\_, which became due and owing on 04/18/2022 \_\_\_\_\_ [Date].

The amount owed is for:

Faulty Workmanship     Merchandise     Auto Damages-Date of Accident \_\_\_\_\_

Wages     Loan     Return of Deposit     Rent     Property Damage

Other: Non-return of a signed by recipient return receipt and failure to address the problem when reported

Explain reason for claim: I purchased a certified priority mail with return receipt for a flat rate priority mail envelope that included court documents and a money order for filing fees (Exhibit #1) on the 15th of November, 2021 at the Lynnwood post office (3715 196th ST SW Suite #101, Lynnwood WA, 98036). The tracking number for the priority mail envelope is 70210350000226420648 and the tracking number for the associated return receipt is 9590940260850125633108 (exhibit#1).

Then comes the serious problem, the return receipt that should have been affixed to the priority envelope and should have accompanied it to the NY destination has a very different tracking from the envelope itself when you compare exhibit #2 to exhibits #5&11&13. On January 7th, I filed a missing mail tracing request (#13614869) with the USPS as shown in exhibit #6.

The search that the USPS office initiated pursuant to my search request (#13614869) has failed to provide me with a signed by recipient return receipt (exhibits #7). I filed a complaint with the USPS OIG office on April 11th (exhibit #9) which they forwarded to the local consumer and industry contact office on the 12th (exhibit #9); the response I got from said office (exhibit # 10) is problematic because in it, they falsely claim that the item was delivered which is contradictory to all the facts as per exhibit #7& 11&13 which clearly show that the item has not been delivered. To this date, I have not received a signed by recipient return receipt.

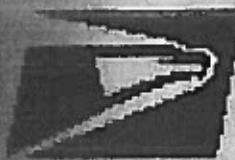

I declare under penalty of perjury under the laws of the state of Washington that the foregoing is true and correct.

Signed at Lynnwood, [City] WA [State] on 04/26/2022 [Date].

When did the incident/accident occur? 2021-11-15  
When did the individual(s) involved begin working?  
Very briefly describe the priority mail with return needed for a lost rate identity mail envelope that included court documents and a money order for filing fees (Exhibit #1) on the 15th of November, 2021 at the Lynnwood post office (3715 18th St SW Suite #101, Lynnwood WA, 98036). The tracking number for the priority envelope is 70210500020240004 (Exhibit #2). Also, per exhibits #1&2, you will see five tracking numbers for the associated return received, which is 95050940200050125633105. Then comes the serious problem, the return receipt that should have been affixed to the priority envelope and should have accompanied it to the NY destination has a very different tracking number (Exhibit #3). The return receipt never made it to my mailbox as the date. On January 27, I filed a missing mail tracing request (#13614600) with the USPS as shown in exhibit #4. The tracking info for the return receipt as of today (January 11th, 2022) is displayed in exhibit #5. The search for the tracking info for today is located in Exhibit #7.

Where did the individual(s) involved begin working?

The USPS Office located at 3715 18th St SW Suite #101, Lynnwood WA, 98036

When was the individual(s) involved promoted/commited?

The post office didn't deliver the return receipt to the court in NY and attached the envelope to my address.

Do you have first-hand knowledge of the individual(s) involved?

I have documentation of everything mentioned and in the body of the complaint. Exhibits #1-5 are part of a complaint filed with the office of the WA AG's office file # 810108. As for exhibits #7, it is a communication sent on April 8th, 2022 by the USPS regarding search ID #13614609.

Where can we obtain additional information concerning the individual(s) involved?

WA AG File #810108. That file was forwarded to United States Postal Inspector PO Box 400 Seattle WA 98111. www.PostalInspector.gov. File #877-875-2455 - USPS Search ID #13614609

What else might be done of the individual(s) involved?
